- Notes: 1. Every resident above the age of 20 was an immigrant . Aust. Slovak could mean from any one of about a dozen modern day Eastern European countries.
 2. Most all workers are employed in coal mining . Exceptions are: one mason and three girls in the shirt factory . Youngest worker is a slate picker, age 14.
 3. The oldest person is 53 years old. 42 residents are younger than 18. 20 residents are boarders
