

## Civil War -- Roster of Severn Post No. 110, G.A.R.

On March 27, 1890, Severn Post No. 110, Grand Army of the Republic, Department of Pennsylvania, was presented with a large leather-bound volume in which to record the war services of its members. The book, which cost \$100, was presented to the Post by Andrew Comrey, Edward S. Silliman, William E. Jones, Eli S. Reinhold, Dominick J. Cleary, Charles D. Kaier, Henry Scheurman, William L. Yoder, Edmund Schertzinger and Valentine W. Medlar, each of whom contributed \$10 to the fund to purchase the tome.

The handsomely hand-tooled cover bore the title: "Personal War Sketches," continuing as follows: "Presented to Severn Post No. 110, Department of Pennsylvania." The names of the donors were appended and the inscription closed with the lines, "Mahanoy City, 1890, Grand Army of the Republic." The text was surrounded with appropriate emblems of the Union. Both inscriptions and text were stamped in gold.

The title page of the volume continued the legend: "Grand Army of the Republic. Personal War Sketches of the Members of Severn Post No. 110, of Mahanoy City." The volume was copyrighted in 1890 by L. H. Everts, at Philadelphia.

The presentation speech was made by Mr. Reinhold and acceptance, on behalf of the Post, was made by the Hon. T.H.B. Lyons. Following the acceptance, resolutions were adopted thanking the public-spirited citizens for their gift.

In the index of the volume was inscribed the names of 309 members of Severn Post, and to each was allotted a page to write their war service. Only fourteen of the number complied, a fact to be greatly regretted.

A hundred or more pages for important Post history are without a recorded word, as are the final pages on which was to be transcribed the minutes of the last meeting of the organization.

The volume has been kept in a special glass-covered case throughout the years, and together with the minutes and records of the Post still extant, are in the custody of Blakeslee Camp, United Spanish-American War Veterans.

For the rank of the members in the appended list, the writer is indebted to an old roster of Severn Post kept by the late John Blain during his service as Adjutant of the veterans' organization. (This roster is still in the possession of his descendants.)?

Blakeslee Camp also has in its possession a gold-fringed silk flag which was used by the G.A.R. Post for many years. Until recently the flag was placed on the Commander's desk, covered by a section of plate glass of the same measurements. It has now been laid away for safer keeping.

That Mahanoy City men played an important part in various campaigns during the War of the Rebellion, may be gleaned from the service records of the soldiers whose names are appended below.

It is to be remembered that only a minority of the members of Severn Post resided in Mahanoy City at the time of their enlistment, the greater proportion settling here after the Civil War.

The roster as compiled from the gift-book and Mr. Blain's list, and arranged in alphabetical order by the author of this history, follows:
